

SUNDEK Protection Factor

It's SPF for your concrete!

Protect your decorative concrete overlay after it has been exposed to the elements.

BEFORE

AFTER

- **REIMAGINE** your existing **SUNDEK** with a professional powerwash, recolor, restain, or reseal.
- **RESURFACE** any existing stamped, stained, or other decorative concrete surfaces with SUNDEK's Protection Factor (SPF) Program.
- **REDEFINE** your existing **SUNDEK** with the same color or change it for a whole new look!

Services Include:

- Stamped Concrete Rehab
- Concrete Restoration
- Recoloring
- Resealing
